WHEREAS, the State Act provides that funds from the Program shall be disbursed and administered for the purposes set forth in the Clean Water Act and according to rules adopted by the DEQ and the DNRC; and

WHEREAS, the current EPA Capitalization Grant (as hereinafter defined) requires that loans under the Program funded in whole or in part by such grant in the aggregate and not on a loan-by-loan basis be structured in such a way that a percentage of the total proceeds of such grant be subject to loan forgiveness; and

WHEREAS, the Fort Smith Water and Sewer District, Montana (the “Borrower”) has applied to the DNRC for loans from the Revolving Fund to enable the Borrower to finance, refinance or reimburse itself for a portion of the costs of the 2023 Project (as hereinafter defined) which will carry out the purposes of the Clean Water Act; and

WHEREAS, the DNRC offered to make loans in the total principal amount of \$3,509,000 available to the Borrower, with one loan in the amount of \$2,759,000 contemplated to be repaid from special assessments to be levied against benefited property and one loan in the amount of \$750,000 contemplated to be forgiven in the event the Borrower satisfies certain conditions; and

WHEREAS, the Borrower contemplates issuing bonds in two series, one a Series 2023A Bond in the maximum principal amount of \$750,000 (the “Series 2023A Bond”) and the other a Series B Bond in the maximum principal amount of \$2,759,000 (the “Series B Bond”); and

WHEREAS, provided that the Borrower complies with certain conditions for principal forgiveness, the Borrower’s obligation to repay the Series 2023A Bond will be forgiven; and

WHEREAS, the Borrower is authorized under applicable laws, ordinances and regulations to adopt this Resolution and to issue the Series 2023A Bond (as hereinafter defined) to evidence the 2023A Loan for the purposes set forth herein; and

Section 2.1 Authorization and Findings.

(a) Authorization. Under the Enabling Act, the Borrower is authorized to issue, by resolution of the Board and without need for authorization by the electors of the Borrower, and to sell its revenue bonds payable during a term not exceeding forty years from their date of issue, to finance the acquisition, construction, improvement, or extension of any facilities of the Borrower benefiting all or any portion of the Borrower for other authorized corporate purposes of the Borrower, to refund bonds issued for those purposes, to fund a debt service reserve for the security of the bonds, to pay interest on the bonds during the estimated period of construction or improvement of facilities, and to pay costs of the bond issuance, provided that the bonds and the interest thereon are to be payable from all or a portion of the revenue of the Borrower or from special assessments levied against benefited property in the Borrower, and provided further that the repayment of bonds so authorized may not be secured by a deficiency tax levy for the repayment of such bonds if the revenue of the Borrower is inadequate to pay principal of and interest on such bonds. The Series 2023A Bond is issued pursuant to Section 7-13-2333, Montana Code Annotated, by the authorization of this Board given herein, and is not issued pursuant to an election. The Series 2023A Bond is payable, if not forgiven, from Surplus Net Revenues and is not secured by the deficiency tax levy under Section 7-13-2302, Montana Code Annotated.

The Board expects that the obligation of the Borrower to repay the Series 2023A Bond will be forgiven in accordance with the EPA Capitalization Grant and this Resolution. Forgiveness of the obligation of the Borrower to repay the Series 2023A Bond is contingent on compliance with the requirements of the EPA Capitalization Grant and this Resolution, as described below.

(b) Effect of Forgiveness. If the DNRC delivers a Forgiveness Statement to the Borrower and the obligation of the Borrower to repay the Series 2023A Bond is forgiven, then this Resolution shall be terminated and the Borrower shall thereafter have no obligations under this Resolution; provided, however, the Borrower's obligations under Article VII shall survive the termination of this Resolution and remain in effect.

(c) Recitals. All acts, conditions and things required by the Constitution and laws of the State to be done, to exist, to happen and to be performed prior to the issuance of the Series 2023A Bond have been done, do exist, have happened, and have been performed in due time, form and manner, wherefore it is now necessary for the Borrower to establish the form and terms of the Series 2023A Bond, to provide for the security thereof and to issue the Series 2023A Bond forthwith.

Section 2.2 Representations. The Borrower represents as follows:

(a) Organization and Authority. The Borrower:

(1) is duly organized and validly existing as a political subdivision of the State;

(2) has all requisite power and authority and all necessary licenses and permits required as of the date hereof to own and operate the System and to carry on its current activities with respect to the System, to adopt this Resolution and to enter into the Collateral Documents and to issue the Series 2023A Bond and to carry out and

consummate all transactions contemplated by this Resolution, the Series 2023A Bond and the Collateral Documents;

(4) has taken all proper action to authorize the execution, delivery and performance of its obligations under this Resolution, the Series 2023A Bond and the Collateral Documents and the incurrence of the Debt evidenced by the Series 2023A Bond in the maximum amount of the Committed Amount.

(b) Litigation. There is no litigation or proceeding pending, or to the knowledge of the Borrower threatened, against or affecting the Borrower in any court or before or by any governmental authority or arbitration board or tribunal that, if adversely determined, would materially and adversely affect the existence, corporate or otherwise, of the Borrower, or the ability of the Borrower to make all payments and otherwise perform its obligations under this Resolution, the Series 2023A Bond and the Collateral Documents, or the financial condition of the Borrower, or the transactions contemplated by this Resolution, the Series 201A Bond and the Collateral Documents or the validity and enforceability of this Resolution, the Series 2023A Bond and the Collateral Documents. If any such litigation should be initiated or threatened, the Borrower will forthwith notify in writing the DNRC, and will furnish the DNRC a copy of all documents, including pleadings, in connection with such litigation. No referendum petition has been filed with respect to any resolution or other action of the Borrower relating to the 2023 Project, the Series 2023A Bond or any Collateral Documents.

The adoption of this Resolution, the execution and delivery of the Series 2023A Bond and the Collateral Documents and the consummation of the transactions provided for in this Resolution, the Series 2023A Bond and the Collateral Documents and compliance by the Borrower with the provisions of this Resolution, the Series 2023A Bond and the Collateral Documents:

(1) are within the powers of the Borrower and have been duly authorized by all necessary action on the part of the Borrower; and

(2) do not and will not result in any breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Borrower pursuant to any ordinance, resolution, indenture, loan agreement or other agreement or instrument (other than this Resolution and any Collateral Documents) to which the Borrower is a party or by which the Borrower or its property may be bound, nor will such action result in any violation of the provisions of any charter or similar document, if applicable, of the Borrower or any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Borrower, its properties or operations are subject.

(d) No Defaults. No event has occurred and no condition exists that, upon execution and delivery of the Series 2023A Bond and the Collateral Documents, would constitute a default under this Resolution or the Collateral Documents. The Borrower is not in violation of any term of any agreement, bond resolution, trust indenture, charter or other instrument to which it is a

party or by which it or its property may be bound which violation would materially and adversely affect the transactions contemplated hereby or the compliance by the Borrower with the terms hereof or of the Series 2023A Bond and the Collateral Documents.

(e) Governmental Consent. The Borrower has obtained or made all permits, findings and approvals required to the date of adoption of this Resolution by any governmental body or officer for the making and performance by the Borrower of its obligations under this Resolution, the Series 2023A Bond and the Collateral Documents or for the 2023 Project, the financing or refinancing thereof or the reimbursement of the Borrower for the costs thereof. No consent, approval or authorization of, or filing, registration or qualification with, any governmental authority (other than those, if any, already obtained) is required on the part of the Borrower as a condition to adopting this Resolution, issuing the Series 2023A Bond or entering into the Collateral Documents and the performance of the Borrower's obligations hereunder and thereunder. If a utility board or commission manages or controls the System, such board or commission has agreed with the DNRC to abide by the terms of this Resolution and the Collateral Documents, including approving any necessary sewer rate increases.

(f) Binding Obligation. This Resolution, the Series 2023A Bond and any Collateral Document to which the Borrower is a party are the valid and binding special, limited obligations and agreements of the Borrower, enforceable against the Borrower in accordance with their terms, except to the extent that the enforceability thereof may be limited by laws relating to bankruptcy, moratorium, reorganization, insolvency or similar laws affecting creditors' rights and general principles of equity.

(g) The 2023 Project. The 2023 Project consists and will consist of the facilities, improvements and activities described in Appendix A, as such Appendix A may be amended from time to time in accordance with the provisions of Article III of this Resolution. The 2023 Project comprises facilities of a type that, as determined by the EPA, will facilitate compliance with the national primary water pollution control regulations applicable to the System or will otherwise significantly further the health protection objectives of the Clean Water Act.

(h) The System. The System is a "public sewage system" within the meaning of the State Act and the Clean Water Act in that it is a public sewage system that provides collection, transportation, treatment or disposal of sewage for consumption, that serves not less than 15 service connections used by year-round residents of the 15 or more families or 25 or more persons daily for any 60 or more days in a calendar year.

(i) Full Disclosure. There is no fact that the Borrower has not specifically disclosed in writing to the DNRC that materially and adversely affects or (so far as the Borrower can now foresee), except for pending or proposed legislation or regulations that are a matter of general public information, that will materially and adversely affect the properties, operations and finances of the System, the Borrower's status as a Public Entity and Governmental Unit, its ability to own and operate the System in the manner it is currently owned and operated or the Borrower's ability to perform its obligations under this Resolution, the Series 2023A Bond and the Collateral Documents and to pledge any revenues or other property pledged to the payment of the Series 2023A Bond.

(j) Compliance With Law. The Borrower:

(1) is in compliance with all laws, ordinances, governmental rules and regulations and court or other governmental orders, judgments and decrees to which it is subject and which are material to the properties, operations and finances of the System or its status as a Public Entity and Governmental Unit; and

(2) has obtained all licenses, permits, franchises or other governmental authorizations necessary to the ownership of the System and the operation thereof and agrees to obtain all such licenses, permits, franchises or other governmental authorizations as may be required in the future for the System and the operation thereof, which failure to obtain might materially and adversely affect the ability of the Borrower to conduct the operation of the System as presently conducted or the condition (financial or otherwise) of the System or the Borrower's ability to perform its obligations under this Resolution, the Series 2023A Bond and the Collateral Documents.

Section 2.3 Covenants.

(a) Right of Inspection and Notice of Change of Location. The DNRC, the DEQ and the EPA and their designated agents shall have the right at all reasonable times during normal business hours and upon reasonable notice to enter into and upon the property of the Borrower for the purpose of inspecting the System or any or all books and records of the Borrower relating to the System.

(b) Further Assurance. The Borrower shall execute and deliver to the DNRC all such documents and instruments and do all such other acts and things as may be necessary or required by the DNRC to enable the DNRC to exercise and enforce its rights under this Resolution, the Series 2023A Bond and the Collateral Documents and to realize thereon, and record and file and re-record and refile all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or required by the DNRC to validate, preserve and protect the position of the DNRC under this Resolution, the Series 2023A Bond and the Collateral Documents.

(c) Maintenance of Security; Recordation of Interest.

(1) The Borrower shall, at its expense, take all necessary action to maintain and preserve the lien and security interest of this Resolution and the Collateral Documents so long as any amount is owing under this Resolution or the Series 2023A Bond;

(2) The Borrower shall forthwith, after the execution and delivery of the Series 2023A Bond and thereafter from time to time, cause this Resolution and any Collateral Documents granting a security interest in revenues or real or personal property and any financing statements or other notices or documents relating thereto to be filed, registered and recorded in such manner and in such places as may be required by law in order to perfect and protect fully the lien and security interest hereof and thereof and the security interest in them granted by this Resolution and, from time to time, shall perform or cause to be performed any other act required by law, including executing or causing to be

executed any and all required continuation statements and shall execute or cause to be executed any further instruments that may be requested by the DNRC for such perfection and protection; and

(3) Except to the extent it is exempt therefrom, the Borrower shall pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of the documents described in subparagraph (2), and all federal or state fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Series 2023A Bond and the Collateral Documents and the documents described in subparagraph (2).

(d) Additional Agreements. The Borrower covenants to comply with all representations, covenants, conditions and agreements, if any, set forth in Appendix C hereto.

(e) Financial Information. The Borrower agrees that for each fiscal year it shall furnish to the DNRC and the DEQ, promptly when available:

(1) the preliminary budget for the System, with items for the 2023 Project shown separately; and

(2) when adopted, the final budget for the System, with items for the 2023 Project shown separately.

The Borrower will cause proper and adequate books of record and account to be kept showing complete and correct entries of all receipts, disbursements and other transactions relating to the System, the monthly gross revenues derived from its operation, and the segregation and application of the gross revenues in accordance with this Resolution, in such reasonable detail as may be determined by the Borrower in accordance with generally accepted governmental accounting practice and principles. It will cause such books to be maintained on the basis of the same fiscal year as that utilized by the Borrower. The Borrower shall, within 270 days after the close of each fiscal year, cause to be prepared and supply to the DNRC a financial report with respect to the System for such fiscal year. The report shall be prepared at the direction of the financial officer of the Borrower in accordance with applicable generally accepted governmental accounting principles and, in addition to whatever matters may be thought proper by the financial officer to be included therein, shall include the following:

(A) A statement in detail of the income and expenditures of the System for the fiscal year, identifying capital expenditures and separating them from operating expenditures;

(B) A balance sheet as of the end of the fiscal year;

(C) The number of premises connected to the System at the end of the fiscal year;

(D) The amount on hand in each account of the Sewer System Fund at the end of the fiscal year;

(E) A list of the insurance policies and fidelity bonds in force at the end of the fiscal year, setting out as to each the amount thereof, the risks covered thereby, the name of the insurer or surety and the expiration date of the policy or bond; and

(F) A determination that the report shows full compliance by the Borrower with the provisions of this Resolution during the fiscal year covered thereby, including proper segregation of the capital expenditures from Operating Expenses, maintenance of the required balance in the Revenue Bond Account, and, pursuant to Section 6.7, receipt of Net Revenues during each fiscal year at least equal to 110% of the maximum annual principal and interest payable on outstanding Bonds in any subsequent fiscal year and receipt of Surplus Net Revenues during each fiscal year sufficient to pay principal and interest on Subordinate Obligations as and when due, including, without limitation, the Series 2023A Bond should it become payable as provided herein or, if the report should reveal that the revenues have been insufficient for purposes of compliance with this Resolution, or that the methods used in accounting for such revenues are contrary to any provision of this Resolution the report shall include a full explanation thereof together with recommendations for such change in rates or accounting practices or in the operation of the System as may be required.

The Borrower shall also have prepared and supplied to the DNRC and the DEQ, within 270 days of the close of each fiscal year, an audit report prepared by an independent certified public accountant or an agency of the state in accordance with generally accepted governmental accounting principles and practice with respect to the financial statements and records of the System. The audit report shall include an analysis of the Borrower's compliance with the provisions of this Resolution.

(f) Project Accounts. The Borrower shall maintain Project accounts in accordance with generally accepted government accounting standards, and as separate accounts, as required by Section 602(b)(9) of the Clean Water Act.

(g) Records. After reasonable notice from the EPA or the DNRC, the Borrower shall make available to the EPA or the DNRC such records as the EPA or the DNRC reasonably requires to review and determine compliance with the Clean Water Act, as provided in Section 606(e) of the Clean Water Act.

(h) Compliance with Clean Water Act. The Borrower has complied and shall comply with all conditions and requirements of the Clean Water Act pertaining to the 2023A Loan and the 2023 Project and shall maintain sufficient financial, managerial and technical capability to continue to effect such compliance.

(i) Compliance with DEQ Requirements. The Borrower shall comply with the plans, specifications and other requirements for public sewer systems established by the DEQ, as required by Section 75-5-1113(1)(g) of the State Act.

(j) Insurance.

(1) General. The Borrower at all times shall keep and maintain with respect to the System property and liability insurance with financially sound and reputable insurers,

qualified under the laws of the State, or self-insurance as authorized by State law and shall pay or cause to be paid timely the premiums for all such insurance. Nothing herein shall be construed to prohibit or preclude the Borrower from self-insuring or participating in a self-insurance program in compliance with the provisions of State law. All such insurance policies shall name the DNRC as an additional insured to the extent permitted under the policy or program of insurance of the Borrower. Each policy must provide that it cannot be cancelled by the insurer without giving the Borrower and the DNRC 30 days prior written notice. The Borrower shall give the DNRC prompt notice of each insurance policy it obtains or maintains to comply with this paragraph (j) and of each renewal, replacement, change in coverage or deductible under or amount of or cancellation of each such insurance policy and the amount and coverage and deductibles and carrier of each new or replacement policy. Such notice shall specifically note any adverse change as being an adverse change. The Borrower shall deliver to the DNRC at Closing a certificate providing the information required by this paragraph (j).

(2) Property Insurance. The Borrower at all times shall keep and maintain with respect to the System property insurance on all buildings, properties, fixtures and equipment constituting a part of the System against loss or damage by such hazards and risks as are ordinarily insured against and in such amounts as are ordinarily carried by public bodies owning and operating properties of a similar character and size; provided that if at any time the Borrower is unable to obtain such insurance, it will obtain insurance in such amounts and against such risks as are reasonably obtainable. The proceeds of all such insurance shall be available for the repair, replacement or reconstruction of damaged or destroyed property and, until paid out in making good such loss or damage, are pledged as security for the outstanding Bonds. All insurance proceeds received in excess of the amount required for restoration of the loss or damage compensated thereby shall be and become part of the revenues appropriated to the Sewer System Fund. If for any reason insurance proceeds are insufficient for the repair, replacement and reconstruction of the insured property, the Borrower shall supply the deficiency from revenues on hand in the Replacement and Depreciation Account and the Surplus Account.

(3) Liability Insurance. The Borrower at all times shall keep and maintain insurance against liability of the Borrower and its employees for injuries to persons (including death) and damage to property resulting from the construction, operation, maintenance, improvement or extension of the System in amounts not less than \$100,000 for death of or personal injury to any one person, \$300,000 for all personal injuries and deaths resulting from any one accident and \$300,000 for property damage in any one accident. The premiums for all insurance required by this subparagraph (3) constitute part of the Operating Expenses of the System, but no insurance liabilities of the Borrower in excess of amounts received under such insurance shall constitute a lien or charge on revenues or any other assets herein or otherwise pledged to the Sewer System Fund.

(k) Handling of Funds; Surety Bonds. The employees of the Borrower, under the direction and control of the Board of Directors, shall keep books of account and collect the rates, charges and rentals for the services and facilities provided by the System and for other money

currently receivable on account thereof. All money collected with respect to the System shall be deposited daily with the District Secretary. Any failure on the part of the District Secretary to comply and to enforce compliance on the part of all officers and employees concerned with the provisions of this Resolution, and with the Borrower's other regulations respecting the System, shall constitute malfeasance for which the District Secretary and the surety on his or her bond shall be personally liable. The Borrower will cause all persons handling money and other assets of the Sewer System Fund to be adequately bonded for the faithful performance of their duties by a surety company authorized to do business in the State and to account for and pay over such money to the Borrower. All amounts received under such bonds shall be applied to the payment of the loss or damage covered thereby. The premiums for all bonds required by this paragraph (k) constitute part of the Operating Expenses of the System, but no such liabilities of the Borrower in excess of amounts received under such bonds shall constitute a lien or charge on revenues or any other assets herein or otherwise pledged to the Sewer System Fund.

(l) Cost of Insurance and Accounting. The insurance and surety bond premiums and the cost of the bookkeeping and audits herein provided for and of the billings and collection of revenues shall be payable from the Operating Account.

### ARTICLE III

#### USE OF PROCEEDS; THE 2023 PROJECT

Section 3.1 Use of Proceeds. The Borrower shall apply the proceeds of the 2023A Loan solely as follows:

(a) The Borrower shall apply the proceeds of the 2023A Loan solely to the financing, refinancing or reimbursement of a portion of the costs of the 2023 Project as set forth in Appendix A hereto. The 2023A Loan will be disbursed in accordance with ARTICLE IV hereof and Article VII of the Indenture. If the 2023 Project has not been completed prior to Closing, the Borrower shall, as quickly as reasonably possible, complete the 2023 Project and expend proceeds of the 2023A Loan to pay a portion of costs of completing the 2023 Project.

(b) No portion of the proceeds of the 2023A Loan shall be used to reimburse the Borrower for costs paid of a Project the construction or acquisition of which occurred or began earlier than March 7, 1985. In addition, if any proceeds of the 2023A Loan are to be used to reimburse the Borrower for 2023 Project costs paid prior to the date of adoption of this Resolution, the Borrower shall have complied in respect of such expenditures with the requirements of Section 1.150-2 of the Regulations, or any successor regulation thereto.

(c) Any Debt to be refinanced with proceeds of the 2023A Loan was incurred after March 7, 1985, or with respect to a Project the construction or acquisition of which began after March 7, 1985. No proceeds of the 2023A Loan shall be used for the purpose of refinancing an obligation the interest on which is exempt from federal income tax or excludable from gross income for purposes of federal income taxation unless the DNRC has received an Opinion of Bond Counsel, satisfactory to it, to the effect that such refinancing will not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation.

Section 3.2 The 2023 Project. Set forth in Appendix A to this Resolution is a description of the 2023 Project, which describes the property which has been or is to be acquired, installed, constructed or improved and the other activities, if any to be funded from the 2023A Loan (the 2023 Project may consist of more than one facility or activity), and an estimated budget relating to the 2023 Project. The 2023 Project may be changed and the description thereof in Appendix A may be amended from time to time by the Borrower but only after delivery to the DNRC of the following:

(a) A certificate of the Borrower setting forth the amendment to Appendix A and stating the reason therefor, including statements as to whether the amendment would cause an increase or decrease in the cost of the 2023 Project, an increase or decrease in the amount of proceeds of the 2023A Loan which will be required to complete the 2023 Project and whether the change will materially accelerate or delay the construction schedule for the 2023 Project;

(b) A written consent to such change in the 2023 Project by an Authorized DNRC Officer; and

(c) An Opinion or Opinions of Bond Counsel stating that the 2023 Project, as constituted after such amendment, is, and was at the time the State Bonds were issued, eligible for financing under the State Act and is, and was at the time the Series 2023A Bond was issued, eligible for financing under the Enabling Act, such amendment will not violate the State Act or the Enabling Act and such amendment will not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation. Such an Opinion of Bond Counsel shall not be required for amendments which do not affect the type of facility to be constructed or activity to be financed.

The Borrower acknowledges and agrees that an increase in the principal amount of the 2023A Loan may be made only upon an application to the DEQ, the DNRC and the Trustee, in such form as the DEQ shall specify, which is approved by the DEQ and the DNRC, in their sole and absolute discretion, and adoption by the governing body of the Borrower of a Supplemental Resolution authorizing the additional loan and delivery of written certifications by officers of the Borrower to the DEQ, the DNRC and the Trustee to the effect that all representations and covenants contained in this Resolution as it may be so amended or supplemented are true as of the date of closing of the additional loan and compliance with applicable test for the incurrence of such debt. No assurance can be given that any additional loan funds will be available under the Program at the time of any such application or thereafter. The Borrower acknowledges and agrees that neither the DEQ, the DNRC, the Trustee nor any of their agents, employees or representatives shall have any liability to the Borrower and have made no representations to the Borrower as to the sufficiency of the 2023A Loan to pay costs of the 2023 Project or as to the availability of additional funds under the Program to increase the principal amount of the 2023A Loan.

Section 3.3 2023 Project Representations and Covenants. The Borrower hereby represents to and covenants with the DNRC that:

(a) all construction of the 2023 Project has complied and will comply with all federal and state standards, including, without limitation, EPA regulations and standards;

(b) all future construction of the 2023 Project will be done only pursuant to fixed price construction contracts, and the Borrower shall obtain a performance and payment bond from the contractor for each construction contract in the amount of 100% of the construction price and ensure that such bond is maintained until construction is completed to the Borrower's, the DNRC's and the DEQ's satisfaction;

(c) all future construction of the 2023 Project will be done in accordance with plans and specifications on file with the DNRC and the DEQ, provided that changes may be made in such plans and specifications with the written consent of an Authorized DNRC Officer and the DEQ;

(e) in the event the 2023 Project is required to comply with the American iron and steel provisions of the 2014 Act (defined below), all the iron and steel products used in the 2023 Project are produced in the United States in compliance with and within the meaning of the "American Iron and Steel" provisions of Section 436 of the Consolidated Appropriations Act of 2014 (P.L. 113-76), as amended (the "2014 Act"), as those provisions are further interpreted by applicable EPA guidance, except to the extent waivers to the American Iron and Steel requirements of the 2014 Act have been granted by the EPA;

(f) in the event the 2023 Project is required to comply with the provisions of BABA (defined below), all iron and steel, manufactured products, and construction materials used in the 2023 Project are produced in the United States in compliance with and within the meaning of the provisions of the Build America, Buy America Act ("BABA") of the Infrastructure Investment and Jobs Act (P.L. 117-58, div. G, title IX, Nov. 15, 2021, 135 Stat. 1294, as amended by P.L. 117-67, div. B, title II, §10254, Aug. 9, 2022, 136 Stat. 1502, and as further amended), such provisions being at Sec. 70901 et seq. of the Infrastructure Investment and Jobs Act, as those provisions are further interpreted by applicable EPA guidance, except to the extent waivers to the requirements of BABA have been granted by the EPA; and

(g) the 2023 Project is a project of the type permitted to be financed under the Enabling Act, the State Act and the Program and Title VI of the Clean Water Act; and

(h) the Borrower will undertake the 2023 Project promptly after the Closing Date and will cause the 2023 Project to be completed as promptly as practicable with all reasonable dispatch, except only as completion may be delayed by a cause or event not reasonably within the control of the Borrower; it is estimated by the Borrower that the 2023 Project will be substantially completed by December 31, 2024.

#### Section 3.4 Completion or Cancellation or Reduction of Costs of the 2023 Project.

(a) Upon completion of the 2023 Project, the Borrower shall deliver to the DNRC a certificate stating that the 2023 Project is complete and stating the remaining amount, if any, of

the Committed Amount. If Appendix A describes two or more separate projects as making up the 2023 Project, a separate completion certificate shall be delivered for each.

(b) If all or any portion of the 2023 Project is cancelled or reduced or its costs are reduced or for any other reason the Borrower will not require the full Committed Amount, the Borrower shall promptly notify the DNRC in writing of such fact and the amount of the Committed Amount which will not be needed.

(c) The Borrower may not request an advance on the 2023A Loan after the date that is 180 days following the date of substantial completion of the 2023 Project (such date, the “Loan Close Out Date”), and by no later than the Loan Close Out Date, the DNRC and the DEQ will close out and cease administering the 2023A Loan, unless an extension is granted in writing by and in the sole discretion of the DEQ.

## ARTICLE IV

### THE 2023A LOAN

#### Section 4.1 The 2023A Loan; Disbursement of 2023A Loan.

(a) The DNRC has agreed to lend to the Borrower, from time to time as the requirements of this Section 4.1 are met, an amount up to \$750,000 (the “Committed Amount”) for the purposes of financing, refinancing or reimbursing the Borrower for a portion of the costs of the 2023 Project. The Committed Amount may be reduced as provided in Sections 3.2 and Section 3.4 of this Resolution.

(b) The DNRC intends to disburse the 2023A Loan through the Trustee. In consideration of the issuance of the Series 2023A Bond by the Borrower, the DNRC shall make, or cause the Trustee to make, a disbursement of all or a portion of the 2023A Loan upon receipt of the following documents:

- (2) the Series 2023A Bond, fully executed and authenticated;
- (3) a certified copy of this Resolution;

(7) such other certificates, documents and other information as the DNRC, the DEQ or Bond Counsel may require (including any necessary arbitrage rebate instructions).

(c) In order to obtain a disbursement of a portion of the 2023A Loan to pay a portion of the costs of the 2023 Project, the Borrower shall submit to the DNRC and the Trustee a signed request for disbursement on the form prescribed by the DNRC, with all attachments required by such form. The Borrower may obtain disbursements only for costs which have been legally incurred and are due and payable. All Loan disbursements will be made to the Borrower only upon proof that cost was incurred.

(d) For refinancings, a disbursement schedule complying with the requirements of the Clean Water Act shall be established by the DNRC and the Borrower at Closing.

(e) If all or a portion of the 2023A Loan is made to reimburse a Borrower for 2023 Project costs paid by it prior to Closing, the Borrower shall present at Closing the items required by Section 4.1(b) of this Resolution relating to such costs. The Trustee shall disburse such amounts to the Borrower pursuant to a disbursement schedule complying with the requirements of the Clean Water Act established by the DNRC and the Borrower at the Closing.

(f) Notwithstanding anything else provided herein, the Trustee shall not be obligated to disburse the 2023A Loan any faster or to any greater extent than it has available EPA Capitalization Grants.

(g) Upon making each 2023A Loan disbursement, the Trustee shall note such disbursement on Schedule A to the Series 2023A Bond.

(h) Compliance by the Borrower with its representations, covenants and agreements contained in this Resolution and the Collateral Documents shall be a further condition precedent to the disbursement of the 2023A Loan in whole or in part. The DNRC and the Trustee, in their sole and absolute discretion, may make one or more disbursements, in whole or in part, notwithstanding such noncompliance, and without liability to make any subsequent disbursement of the 2023A Loan.

Section 4.2 Commencement of Loan Term. The Borrower's obligations under this Resolution and the Collateral Documents shall commence on the date hereof unless otherwise provided in this Resolution.

Section 4.3 Termination of Loan Term. The Borrower's obligations under this Resolution and the Collateral Documents in respect of the Series 2023A Bond shall terminate upon forgiveness of or payment in full of all amounts due under the Series 2023A Bond and this

Resolution in respect thereof; provided, however, that the covenants and obligations set forth in Article VII and Section 12.4 of this Resolution shall survive the termination of this Resolution.

Section 4.4 Loan Closing Submissions. On or prior to the Closing, the Borrower will have delivered to the DNRC and the Trustee the closing submissions required by Section 7.05 of the Indenture.

## ARTICLE V

### REPAYMENT OF 2023A LOAN

Section 5.1 Repayment of 2023A Loan. The Borrower shall repay the amounts lent to it pursuant to Section 4.1 hereof in accordance with this Section 5.1.

5.1.1. Interest and Surcharges. Until a Determination Statement is delivered by the DNRC to the Borrower and so long as the Borrower's obligation to repay the principal of the 2023A Loan is forgiven as provided in Section 5.1.2 below, amounts disbursed by the DNRC under Section 4.1 hereof that are evidenced by the Series 2023A Bond bear interest at the rate of zero percent (0.00%) per annum from the date of each advance; provided, however, if the DNRC delivers to the Borrower a Noncompliance Statement, then all principal of the Series 2023A Bond advanced by the DNRC shall be payable and amounts disbursed by the DNRC under Section 4.1 hereof that are evidenced by the Series 2023A Bond shall bear interest at the rate of two percent (2.00%) per annum and in addition the Borrower shall pay the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge from the date of each advance under the Series 2023A Bond. For purposes of this Resolution and the Program, if a Noncompliance Statement is delivered, the term "interest on the 2023A Loan" when not used in conjunction with a reference to any surcharges, shall include the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge. The Borrower shall pay all Loan Repayments and surcharges in lawful money of the United States of America to the DNRC. Interest, Administrative Expense Surcharge, and Loan Loss Reserve Surcharge shall be calculated on the basis of a year of 360 days comprising 12 months of 30 days each.

#### 5.1.2. Repayment of 2023A Loan; Principal Forgiveness.

(a) The Borrower is obligated to repay the principal of and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the 2023A Loan, unless the DNRC forgives the Borrower's obligation to repay the principal of the 2023A Loan as provided in Section 5.1.2(b). Subject to the provisions of Section 5.1.2(b), the Loan Repayments and the Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the 2023A Loan shall be due on each Payment Date, as follows:

- (1) interest and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge on the outstanding principal balance of the 2023A Loan shall be payable on each Payment Date, beginning on the first Payment Date following the date of delivery by the DNRC of a Noncompliance Statement and concluding on January 1, 2054; and

- (2) the principal of the 2023A Loan shall be payable on each Payment Date, beginning on the Payment Date that is the first to occur following delivery by the DNRC of a Noncompliance Statement, and concluding on January 1, 2054, and the amount of each principal payment shall be calculated on the basis of a substantially level debt service at the rate of 2.50% per annum.

(b) Notwithstanding Section 5.1.2(a), so long as the Borrower is proceeding diligently to completion of the 2023 Project and the Borrower has executed and delivered the Compliance Certificate and Request to the DNRC in form and substance satisfactory to the DNRC and the DEQ within thirty (30) days after the date that the Compliance Certificate and Request is provided to the Borrower by the DNRC, the DNRC will, following review and approval of the Compliance Certificate and Request, deliver to the Borrower a Forgiveness Statement and the Borrower will thereafter have no obligation to repay amounts advanced under the Series 2023A Bond or interest or surcharges thereon and the Series 2023A Bond will be marked “CANCELLED” and returned by the DNRC to the Borrower. However, in the event the Borrower fails to deliver timely the Compliance Certificate and Request, or the Borrower cannot submit the Compliance Certificate and Request because it cannot make the certifications required therein, or the Compliance Certificate and Request is delivered in a form that deviates materially from that attached hereto as Appendix D as determined in the sole and complete discretion of the DNRC and the DEQ, or the DNRC or the DEQ determine at any time that the 2023 Project or any portion thereof or of the work relating thereto fails to comply with Program requirements, then the DNRC will deliver to the Borrower a Noncompliance Statement. Upon delivery of a Noncompliance Statement by the DNRC to the Borrower, all principal advanced or to be advanced under the Series 2023A Bond, together with interest, Administrative Expense Surcharge, and Loan Loss Reserve Surcharge thereon from the date of each advance, shall be payable as provided in Section 5.1.2(a).

(c) In addition, in the event the DNRC delivers a Noncompliance Statement (i) the Series 2023A Bond will continue in effect as a Subordinate Obligation, and (ii) the Borrower will forthwith comply with the rate covenant set forth in Section 6.7, and, if necessary, increase the rates and charges of the System to satisfy such rate covenant as soon as practicable and in any event no later than three (3) months after the date of delivery to the Borrower by the DNRC of a Noncompliance Statement.

5.1.3. Details Regarding 2023A Loan Repayments. If applicable, Loan Repayments and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge on the 2023A Loan shall be due on the dates specified above and on the dates and in the amounts shown in Schedule B to the Series 2023A Bond, as such Schedule B shall be modified from time to time as provided in Section 5.1.2 and below. The portion of each such Loan Repayment consisting of principal and the portion consisting of interest and the amount of each Administrative Expense Surcharge and the amount of each Loan Loss Reserve Surcharge shall be set forth in Schedule B to the Series 2023A Bond. Upon each disbursement of 2023A Loan amounts to the Borrower pursuant to Section 4.1 hereof, the Trustee shall enter or cause to be entered the amount advanced on Schedule A to the Series 2023A Bond under “Advances” and the total amount advanced under Section 4.1, including such disbursement, under “Total Amount

Advanced.” If applicable, interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on such advance shall accrue from the date the advance is made and shall be due and payable on the dates and in the amounts shown in Schedule B to the Series 2023A Bond, as such Schedule B shall be modified from time to time as provided herein.

If the DNRC shall have delivered a Noncompliance Statement, then Schedule B to the Series 2023A Bond shall continue to reflect interest and surcharges on amounts advanced under the Series 2023A Bond at the rate of 2.50% per annum, as may be revised to reflect the full principal amount advanced under the Series 2023A Bond, the initial Payment Date, and the periodic total loan payment, and the Trustee shall send a copy of such schedules to the Borrower within one month after delivery by the DNRC of the Noncompliance Statement. If the DNRC delivers a Forgiveness Statement, Schedule B to the Series 2023A Bond will be disregarded and of no effect.

Past-due Loan Repayments and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid.

If applicable, any payment of principal and interest and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge as to the Series 2023A Bond under this Section 5.1 shall be credited against the same payment obligation under the Series 2023A Bond.

Section 5.2 Additional Payments. The Borrower shall also pay, within 30 days after receipt of a bill therefor, from any legally available funds therefor, including proceeds of the 2023A Loan, all reasonable expenses of the DNRC and the Trustee in connection with the 2023A Loan, the Collateral Documents and the Series 2023A Bond, including, but not limited to:

- (a) the cost of reproducing this Resolution, the Collateral Documents and the Series 2023A Bond;
- (b) the fees and disbursements of Bond Counsel and other Counsel utilized by the DNRC and the Trustee in connection with the 2023A Loan, the Resolution, the Collateral Documents and the Series 2023A Bond and the enforcement thereof; and
- (c) all taxes and other governmental charges in connection with the execution and delivery of the Collateral Documents or the Series 2023A Bond, whether or not the Series 2023A Bond is then outstanding, including all recording and filing fees relating to the Collateral Documents and the pledge of the State’s right, title and interest in and to the Series 2023A Bond, the Collateral Documents and this Resolution and all expenses, including attorneys’ fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof or thereof.

Section 5.3 Prepayments. The Borrower may not prepay all or any part of the outstanding principal amount of the Series 2023A Bond, unless (i) a Determination Statement has been delivered, (ii) it obtains the prior written consent of the DNRC thereto, and (iii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of

accrued interest and, if applicable, Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2023A Bond is prepaid in part pursuant to this Section 5.3, such prepayments shall be applied to principal payments in inverse order of maturity or, if the DNRC determines in its discretion, the remaining principal amount following such prepayment will be reamortized over the remaining term of the Series 2023A Bond.

Section 5.4 Obligations of Borrower Unconditional. The obligations of the Borrower to make the payments required by this Resolution and the Series 2023A Bond and to perform its other agreements contained in this Resolution, the Series 2023A Bond and Collateral Documents shall be absolute and unconditional, except as otherwise provided herein or in such documents. The Borrower (a) shall not suspend or discontinue any payments provided for in the Resolution and the Series 2023A Bond, (b) shall perform all its other agreements in the Resolution, the Series 2023A Bond and the Collateral Documents and (c) shall not terminate the Resolution, the Series 2023A Bond or the Collateral Documents for any cause, including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2023 Project or the System, commercial frustration of purpose, any dispute with the DNRC or the EPA, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the DNRC to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Resolution.

Section 5.5 Limited Liability. All payments of principal of and interest on the 2023A Loan and other payment obligations of the Borrower hereunder and under the Series 2023A Bond shall be special, limited obligations of the Borrower payable solely out of the Net Revenues or, with respect to the Series 2023A Bond, solely out of Surplus Net Revenues and shall not, except at the option of the Borrower and as permitted by law, be payable out of any other revenues of the Borrower. The obligations of the Borrower under the Resolution and the Series 2023A Bond shall never constitute an indebtedness of the Borrower within the meaning of any State constitutional provision or statutory or charter limitation and shall never constitute or give rise to a pecuniary liability of the Borrower or a charge against its general credit or taxing power. The taxing powers of the Borrower may not be used to pay principal of or interest on the Series 2023A Bond, and no funds or property of the Borrower other than the Net Revenues or, as appropriate, Surplus Net Revenues may be required to be used to pay principal of or interest on the Series 2023A Bond.

## ARTICLE VI

### OTHER AGREEMENTS OF BORROWER

Section 6.1 Maintenance of System; Liens. The Borrower shall maintain the System, including the 2023 Project, in good condition and make all necessary renewals, replacements, additions, betterments and improvements thereto. The Borrower shall not grant or permit to exist any lien on the 2023 Project or any other property making up part of the System, other than liens securing Debt where a parity or senior lien secures the Series 2023A Bond; provided that this Section 6.1 shall not be deemed to be violated if a mechanic's or contractor's lien is filed against any such property so long as the Borrower uses its best efforts to obtain the discharge of such

lien and promptly reports to the DNRC the filing of such lien and the steps it plans to take and does take to discharge such lien.

Section 6.2 Maintenance of Existence; Merger, Consolidation, Etc.; Disposition of Assets. The Borrower shall maintain its corporate existence, except that it may consolidate with or merge into another Governmental Unit or permit one or more Governmental Units to consolidate with or merge into it or may transfer all or substantially all of its assets to another Governmental Unit and then dissolve if the surviving, resulting or transferee entity (if other than the Borrower) (i) is a Public Entity and (ii) assumes in writing all of the obligations of the Borrower under this Resolution, the Series 2023A Bond and the Collateral Documents, and (a) such action does not result in any default in the performance or observance of any of the terms, covenants or agreements of the Borrower under this Resolution, the Series 2023A Bond and the Collateral Documents, (b) such action does not violate the State Act or the Clean Water Act and does not adversely affect the exclusion of interest on the Series 2023A Bond or the State Bonds from gross income for federal income tax purposes and (c) the Borrower delivers to the DNRC on the date of such action an Opinion of Bond Counsel that such action complies with this Section 6.2.

Notwithstanding the foregoing paragraph, the Borrower will not mortgage, lease, transfer, sell or otherwise dispose of any real or personal properties of the System, unless (a) prior to or simultaneous with such mortgage, lease, transfer, sale or other disposition, all of the Bonds then outstanding shall be discharged as provided in Article XIV; or (b) (i) the properties to be mortgaged, leased, transferred, sold or otherwise disposed of are unserviceable, inadequate, outmoded, worn out, obsolete or no longer required for use in connection with the System or beneficial to the general public or necessary to carry out the purposes of the Clean Water Act; and (ii) the mortgage, lease, transfer, sale or other disposition will not prevent the Borrower from complying with the provisions of this Resolution; and (iii) all proceeds of the mortgage, lease, transfer sale or other disposition of such properties are deposited into the Sewer System Fund.

Section 6.3 Covenants Relating to the Tax-Exempt Status of the State Bonds.

(a) The Borrower covenants and agrees that it will not use or permit to be used any of the proceeds of the Series 2023A Bond or any other funds of the Borrower, directly or indirectly, in a manner that would cause, or take any other action that would cause, any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code or would otherwise cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation. In addition, the Borrower agrees that it will not enter into, or allow any “related person” (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the State Bonds or any other obligations of the DNRC in an amount related to the amount of the 2023A Loan or the portion of the 2023A Loan derived directly or indirectly from proceeds of the State Bonds.

(b) The Borrower shall not use or permit the use of the 2023 Project directly or indirectly in any trade or business carried on by any Person who is not a Governmental Unit. For the purpose of this subparagraph, use as a member of the general public shall not be taken into account and any activity carried on by a Person other than a natural person shall be treated as a trade or business.

(c) Any portion of the 2023 Project being refinanced or the cost of which is being reimbursed was acquired by and is now and shall, during the term of the 2023A Loan, be owned by the Borrower and not by any other Person. Any portion of the 2023 Project being financed shall be acquired by and shall, during the term of the 2023A Loan, be owned by the Borrower and not by any other Person. Notwithstanding the previous two sentences, the Borrower may transfer the 2023 Project or a portion thereof to another Governmental Unit which is also a Public Entity if such transfer is otherwise permitted hereunder and if such organization agrees with the DNRC to comply with Sections 2.2(h), 2.2(i) and 6.3 hereof and if the DNRC receives an Opinion of Bond Counsel to the effect that such transfer will not violate the State Act or the Clean Water Act or adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation. In addition, except as otherwise provided herein or in any Collateral Documents, the Borrower may sell or otherwise dispose of any portion of the 2023 Project which has become obsolete or outmoded or is being replaced or for other reasons is not needed by the Borrower or beneficial to the general public or necessary to carry out the purposes of the Clean Water Act.

(d) At the Closing of the 2023A Loan the DNRC will, if necessary to obtain the Opinion of Bond Counsel described in Section 7.05(a) of the Indenture, deliver to the Borrower instructions concerning compliance by the Borrower with the arbitrage rebate requirements of Section 148 of the Code (the "Arbitrage Rebate Instructions"). The Borrower shall comply with the Arbitrage Rebate Instructions, if any, delivered to it by the DNRC at Closing, as such Instructions may be amended or replaced by the DNRC from time to time. The Arbitrage Rebate Instructions may be amended or replaced by new Arbitrage Rebate Instructions delivered by the DNRC and accompanied by an Opinion of Bond Counsel to the effect that the use of said amended or new Arbitrage Rebate Instructions will not adversely affect the excludability of interest on the State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income for purposes of federal income taxation.

(e) The Borrower agrees that during the term of the 2023A Loan it will not contract with or permit any Private Person to manage the 2023 Project or any portion thereof except according to a written management contract and upon delivery to the DNRC of an Opinion of Bond Counsel to the effect that the execution and delivery of such management contract will not violate the State Act or the Clean Water Act or adversely affect the excludability of interest on the State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income for purposes of federal income taxation.

(f) The Borrower may not lease the 2023 Project or any portion thereof to any Person other than an exempt Person which agrees in writing with the Borrower and the State not to cause any Default to occur under this Resolution, provided the Borrower may lease all or any portion of the 2023 Project to a nonexempt Person pursuant to a lease which in the Opinion of Bond Counsel delivered to the DNRC will not adversely affect the excludability of interest on the State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income for purposes of federal income taxation.

(g) The Borrower shall not change the use or nature of the 2023 Project if (i) such change will violate the Clean Water Act, or (ii) so long as the State Bonds are outstanding unless, in the Opinion of Bond Counsel delivered to the DNRC, such change will not adversely affect the excludability of interest on the State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income for purposes of federal income taxation.

Section 6.4 Competing Service. The Borrower will not establish or authorize the establishment of any other system for the public supply of service or services in competition with any or all of the services supplied by the facilities of the System.

Section 6.5 Billing. The charges for sewer services shall be billed at least monthly, and if the bill is not paid within 90 days of the date of billing, or if the customer fails to comply with all rules and regulations established for the System within 90 days after notice of violation thereof (which notice shall be given promptly upon discovery of any such violation), the sewer service to the premises involved shall be discontinued and shall not be resumed until payment of all past-due bills for sewer service or approval by the Board of a contractual payment agreement for sewer service and compliance with all such rules and regulations. The Borrower shall take appropriate legal action to collect the unpaid charges, including, to the extent now or hereafter authorized by law, making the charge a lien against the real property served by the sewer connection for which the charge remains unpaid and causing charges with respect to such properties to be collected in the same manner as taxes levied against property within the Borrower.

Section 6.6 Remedies. The DNRC, so long as it owns the Series 2023A Bond, or the owners of not less than 25% in principal amount of the outstanding Bonds issued and secured under the provisions of this Resolution shall have the right, either at law or in equity, through suit, action or other proceedings, to protect and enforce the rights of all owners of such Bonds and to compel the performance of any and all of the covenants required herein to be performed by the Borrower, and its officers and employees, including but not limited to the fixing and maintaining of rates, fees and charges and the collection and proper segregation of gross revenues and the application and use thereof. The owners of a majority in principal amount of such outstanding Bonds shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Bondholders or the exercise of any power conferred on them and the right to waive a default in the performance of any such covenant, and its consequences, except a default in the payment of the principal of, premium, or interest on any Bond when due. However, nothing herein shall impair the absolute and unconditional right of the owner of each such Bond to receive payment of the principal of, premium, if any, and interest on such Bond as such principal and interest respectively become payable, and to institute suit for any such payment. Any court having jurisdiction of the action may appoint a receiver to administer the System on behalf of the Borrower with power to charge and collect rates, fees and charges sufficient to provide for the payment of any Bonds or obligations outstanding against the System, and to apply the gross revenues in conformity with this Resolution and the laws of the State.

Section 6.7 Rate Covenant. While any Bonds are outstanding and unpaid, the rates, charges and rentals for all services and facilities furnished and made available by the System to

the Borrower and its inhabitants, and to all customers within or without the boundaries of the Borrower, shall be reasonable and just, taking into consideration the cost and value of the System and the cost of maintaining and operating it, and the amounts necessary for the payment of all Bonds and the interest accruing thereon, and the proper and necessary allowances for the depreciation of the System, and no free service shall be provided to any Person. It is covenanted and agreed that the rates, charges and rentals to be charged to all recipients of sewer services shall be maintained and shall be revised, whenever and as often as may be necessary, according to schedules such that the revenues for each fiscal year will be at least sufficient to pay the Operating Expenses, to maintain the Operating Reserve herein established, to maintain the balance in the Reserve Account at the Reserve Requirement, to produce Net Revenues during each fiscal year, commencing with the fiscal year ending June 30, 2022, not less than 110% of the maximum annual principal and interest payable on any outstanding Bonds in any subsequent fiscal year, and to produce Surplus Net Revenues sufficient to provide reserves for replacement and depreciation of the System and to pay Subordinate Obligations, including, without limitation, the Series 2023A Bond if a Noncompliance Statement should be delivered.

If at the close of any fiscal year the Net Revenues actually received during such year have been less than required hereby, the Borrower will forthwith prepare a schedule of altered rates, charges and rentals which are just and equitable and sufficient to produce Net Revenues and Surplus Net Revenues in such amount, and will do all things necessary to the end that such schedule will be placed in operation at the earliest possible date.

The establishment of the above ratio of Net Revenues to principal and interest on the Bonds is deemed necessary for the DNRC to make the 2023A Loan to the Borrower upon terms most advantageous. Net Revenues in excess of the requirements of this Section 6.7 may be used as authorized in Article XI of this Resolution.

Section 6.8 Appointment of Superintendent. In the event of default on the part of the Borrower in the payment of principal of or interest on any Bond promptly as each falls due, or in the keeping of any covenants herein contained, and if such default shall continue for a period of 60 days, the governing body of the Borrower will appoint a special superintendent for the System, with the power and responsibility to operate the System for the Borrower, and to recommend to the governing body of the Borrower such revisions of the rates and charges and operating policies as may be necessary to comply with this Resolution, and to assure that the Net Revenues will be sufficient to pay all principal of and interest on the Bonds, and he shall in all things so operate the System as to comply fully with all the requirements and provisions of this Resolution. The right of the owners of the Bonds to require appointment of such a superintendent shall not be exclusive, and in the event of default hereunder, such owner or owners shall have the right to proceed at law or in equity, in any form of action which shall to them seem appropriate.

## ARTICLE VII

### INDEMNIFICATION OF DNRC AND DEQ

The Borrower shall, to the extent permitted by law, indemnify and save harmless the DNRC and the DEQ and their officers, employees and agents (each an "Indemnified Party" or,

collectively, the “Indemnified Parties”) against and from any and all claims, damages, demands, expenses, liabilities and losses of every kind asserted by or on behalf of any Person arising out of the acts or omissions of the Borrower or its employees, officers, agents, contractors, subcontractors, or consultants in connection with or with regard or in any way relating to the condition, use, possession, conduct, management, planning, design, acquisition, construction, installation or financing of the 2023 Project. The Borrower shall, to the extent permitted by law, also indemnify and save harmless the Indemnified Parties against and from all costs, reasonable attorneys’ fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand. If any proceeding is brought against an Indemnified Party by reason of such claim or demand, the Borrower shall, upon notice from an Indemnified Party, defend such proceeding on behalf of the Indemnified Party.

## ARTICLE VIII

### ASSIGNMENT

Section 8.1 Assignment by Borrower. The Borrower may not assign its rights and obligations under this Resolution or the Series 2023A Bond, except as provided in Section 6.2.

Section 8.2 Assignment by DNRC. The DNRC will pledge its rights under and interest in this Resolution, the Series 2023A Bond and the Collateral Documents (except to the extent otherwise provided in the Indenture) as security for the payment of the State Bonds and may further assign such interests to the extent permitted by the Indenture, without the consent of the Borrower.

Section 8.3 State Refunding Bonds. In the event the State Bonds are refunded by bonds which are not State Bonds, all references in this Resolution to State Bonds shall be deemed to refer to the refunding bonds and any bonds of the State on a parity with such refunding bonds (together, the “Refunding Bonds”) or, in the case of a crossover refunding, to the State Bonds and the Refunding Bonds.

## ARTICLE IX

### THE SERIES 2023A BOND

Section 9.1 Authorization. Under the provisions of the Enabling Act, the Borrower is authorized to sell and issue its revenue bonds payable during a term not exceeding forty years from their date of issue, to provide funds for the reconstruction, improvement, betterment and extension of the System or to refund its revenue bonds issued for such purpose; provided that the bonds and the interest thereon are to be payable solely out of the net income and revenues to be derived from rates, fees and charges for the services, facilities and commodities furnished by the undertaking, and are not to create any obligation for the payment of which taxes may be levied except to pay for services provided by the undertaking to the Borrower.

Section 9.2 Outstanding Bonds. The Borrower currently has no outstanding bonds or indebtedness that are payable from revenues (gross or net) received by the Borrower from or in connection with the operation of the System.

Section 9.3 Net Revenues Available. The Borrower is authorized to charge just and equitable rates, charges and rentals for all services directly or indirectly furnished by the System, and to pledge and appropriate to its Bonds the Net Revenues (and in respect of the Series 2023A Bond, if necessary, the Surplus Net Revenues) to be derived from the operation of the System, including improvements, betterments or extensions thereof hereafter constructed or acquired. The Borrower acknowledges and agrees that if the DNRC delivers a Noncompliance Statement to the Borrower as provided in Section 5.1.2 as determined in the sole and complete discretion of the DNRC and DEQ, then principal and interest and surcharges will become due and owing on the 2023A Loan evidenced by the Series 2023A Bond as provided in Section 5.1 and the Borrower shall thereupon, and no later than three months after delivery of such a statement, to the extent required by Section 6.7 of this Resolution, adjust its schedule of fees, rates, and charges applicable to the System to cause Net Revenues and Surplus Net Revenues to be produced in an amount at least equal to that required by the Resolution.

Section 9.4 Issuance and Sale of the Series 2023A Bond. The Board has investigated the facts necessary and hereby finds, determines and declares it to be necessary and desirable for the Borrower to issue the Series 2023A Bond to evidence the 2023A Loan. The Series 2023A Bond is issued to the DNRC without public sale pursuant to Montana Code Annotated, Section 7-7-4433.

Section 9.5 Terms. The Series 2023A Bond shall be in the maximum principal amount equal to the original Committed Amount, shall be issued as a single, fully registered bond numbered R-1, shall be dated as of the date of delivery to the DNRC, and shall bear interest at the rate charged by the DNRC on the 2023A Loan. If applicable, the principal of and interest on the Series 2023A Bond shall be payable on the same dates and in the same amounts as Loan Repayments are payable. Advances of principal of the Series 2023A Bond shall be deemed made when advances of the 2023A Loan are made under Section 4.1, and such advances shall be payable, if applicable, in accordance with Schedule B to the Series 2023A Bond, as it may be revised by the DNRC from time to time in accordance with Section 5.1. The Series 2023A Bond is a Subordinate Obligation payable only from the Surplus Net Revenues available in the Sewer System Fund.

The Borrower may prepay the Series 2023A Bond, in whole or in part, only upon the terms and conditions under which it can prepay the 2023A Loan under Section 5.3.

Section 9.6 Negotiability, Transfer and Registration. The Series 2023A Bond shall be fully registered as to both principal and interest, and shall be initially registered in the name of and payable to the DNRC and shall be dated the date of delivery. While so registered, principal of and interest on the Series 2023A Bond shall be payable to the DNRC at the Office of the Department of Natural Resources and Conservation, 1539 Eleventh Avenue, Helena, Montana 59620 or such other place as may be designated by the DNRC in writing and delivered to the Borrower. The Series 2023A Bond shall be negotiable, subject to the provisions for registration and transfer contained in this section. No transfer of the Series 2023A Bond shall be valid unless and until (1) the holder, or his duly authorized attorney or legal representative, has executed the form of assignment appearing on the Series 2023A Bond, and (2) the District Secretary of the Borrower or successors, as Registrar, has duly noted the transfer on the Series 2023A Bond and recorded the transfer on the registration books of the Registrar. The Registrar may, prior to

noting and recording the transfer, require appropriate proof of the transferor's authority and the genuineness of the transferor's signature. The Borrower shall be entitled to deem and treat the Person in whose name the Series 2023A Bond is registered as the absolute owner of the Series 2023A Bond for all purposes, notwithstanding any notice to the contrary, and all payments to the registered holder shall be valid and effectual to satisfy and discharge the Borrower's liability upon such Series 2023A Bond to the extent of the sum or sums so paid.

Section 9.7 Execution and Delivery. The Series 2023A Bond shall be executed on behalf of the Borrower by the manual signatures of the President of the Board of Directors and the District Secretary. Any or all of such signatures may be affixed at or prior to the date of delivery of the Series 2023A Bond. In the event that any of the officers who shall have signed the Series 2023A Bond shall cease to be officers of the Borrower before the Series 2023A Bond is issued or delivered, their signatures shall remain binding upon the Borrower. Conversely, the Series 2023A Bond may be signed by an authorized official who did not hold such office on the date of adoption of this Resolution. The Series 2023A Bond shall be delivered to the DNRC, or its attorney or legal representative.

Section 9.8 Form. The Series 2023A Bond shall be prepared in substantially the form attached as Appendix B.

## ARTICLE X

### PRIORITIES AND ADDITIONAL SEWER DEBT

Section 10.1 General Limitations; Issuable in Series. The aggregate principal amount of Bonds that may be authenticated and delivered and outstanding under this Resolution is not limited, except as provided in Articles IX and X and except as may be limited by law.

The Bonds may be issued in series as from time to time authorized by the Board. With respect to the Bonds of any particular series, the Borrower may incorporate in or add to the general title of such Bonds any words, letters or fixtures designed to distinguish that series.

The Bonds shall be special, limited obligations of the Borrower. Principal of, premium, if any, and interest on the Bonds shall be payable solely from Net Revenues (other than to the extent payable out of proceeds of the Bonds). The Bonds shall not be or constitute a pledge of the general credit or taxing powers of the Borrower of any kind whatsoever. Neither the Bonds nor any of the agreements or obligations of the Borrower contained herein shall be construed to constitute an indebtedness of the State or the Borrower within the meaning of any constitutional or statutory provisions whatsoever.

Each and all of the Bonds shall be equally and ratably secured without preference or priority of any one Bond over any other by reason of serial number, date of issue, or otherwise.

Each series of Bonds shall be created by a Supplemental Resolution. The Bonds of each series shall bear such date or dates, shall be payable at such place or places, shall have such stated maturities and redemption dates, shall bear interest at such rate or rates, from such date or dates, shall be payable in such installments and on such dates and at such place or places, and

may be redeemable at such price or prices and upon such terms (in addition to the prices and terms herein specified for redemption of all Bonds) as shall be provided in the Supplemental Resolution creating that series, all upon such terms as the Borrower may determine. The Borrower may, at the time of the creation of any series of Bonds or at any time thereafter, make, and the Bonds of that series may contain provision for:

- (a) a sinking, amortization, improvement or other analogous fund;
- (b) limiting the aggregate principal amount of the Bonds of that series and of additional Bonds thereafter to be issued;
- (c) exchanging Bonds of that series, at the option of the Holders thereof, for other Bonds of the same series of the same aggregate principal amount of a different authorized kind or authorized denomination or denominations; or
- (d) registration, transfer and delivery.

Section 10.2 Refunding Revenue Bonds. The Borrower reserves the right and privilege of refunding any or all of the Bonds subject to the following terms and conditions:

- (a) Any matured Bonds may be refunded if moneys available for the payment thereof at maturity, within the limitation prescribed in Section 10.1, should at any time be insufficient to make such payment in full.
- (b) Any Bonds may be refunded prior to maturity as and when they become prepayable according to their terms.
- (c) Provision may be made for the payment and refunding of any unmatured Bonds by the deposit with a duly qualified depository bank, as escrow agent, of cash sufficient, or of securities of the kinds authorized by law, the payments of interest on and principal of which are sufficient, to pay the principal amount of and premium, if any, on such Bonds with interest to maturity or to any prior date or dates on which they are prepayable, and have been called for redemption or provision has been irrevocably made for their redemption, on such date or dates.
- (d) Any refunding revenue Bonds issued for the above purposes may be made payable from the Net Revenues on a parity as to interest with all then outstanding Bonds; provided that (1) if not all of the Bonds of a series are refunded, the maturity of each refunding revenue Bond shall be subsequent to the last maturity of any then outstanding Bonds of such series which are not refunded or to be refunded out of moneys on deposit with such escrow agent, and (2) no Bondholder shall be required to accept a refunding revenue Bond in exchange for any Bond owned by him.

Section 10.3 Other Parity Bonds. The Borrower reserves the right to issue additional Bonds payable from the Revenue Bond Account of the Sewer System Fund, on a parity as to both principal and interest with outstanding Bonds, if the Net Revenues of the System for the last complete fiscal year preceding the date of issuance of such additional Bonds have equaled at

least 110% of the maximum amount of principal and interest payable from said Revenue Bond Account in any subsequent fiscal year during the term of the outstanding Bonds, on all Bonds then outstanding and on the additional Bonds proposed to be issued. For the purpose of the foregoing computation, the Net Revenues for the fiscal year preceding the issuance of additional Bonds shall be those shown by the financial reports caused to be prepared by the Borrower pursuant to Section 2.2(f), except that if the rates and charges for services provided by the System have been changed since the beginning of such preceding fiscal year, then the rates and charges in effect at the time of issuance of the additional Bonds or finally authorized to go into effect within 60 days thereafter shall be applied to the quantities of service actually rendered and made available during such preceding fiscal year to ascertain the gross revenues, from which there shall be deducted to determine the Net Revenues, the actual operation and maintenance cost plus any additional annual costs of operation and maintenance which the Consultant estimates will be incurred because of the improvement or extension of the System to be constructed from the proceeds of the additional Bonds proposed to be issued. In no event shall any additional Bonds be issued and made payable from the Revenue Bond Account if the Borrower is then in default in any payment of principal of or interest on any outstanding Bonds payable therefrom or if there then exists any deficiency in the balances required by this Resolution to be maintained in any of the accounts of the Sewer System Fund, which will not be cured or restored upon the issuance of the additional Bonds. In connection with the issuance of a series of additional Bonds, the Borrower shall cause amounts in the Reserve Account to be increased, from the proceeds of the additional Bonds or from other available funds of the Borrower, to an amount equal to the Reserve Requirement during the term of the outstanding Bonds or so much thereof as will not cause the Borrower to violate the provisions of Section 12.2 hereof.

Section 10.4 Subordinate Bonds. Nothing in this Resolution shall preclude the Borrower from issuing additional bonds or notes which are expressly made a charge on only the Surplus Net Revenues of the System subordinate to the pledge of Net Revenues to the Revenue Bond Account and the Reserve Account (such additional bonds, the “Subordinate Obligations”); provided, however, no obligations may be issued pursuant to this Section 10.4 if a deficiency exists in the Revenue Bond Account or the Reserve Account which is not to be restored by the issuance of the Subordinate Obligations. Any Surplus Net Revenues segregated to pay such Subordinate Obligations in the Sewer System Fund are subject to the prior appropriation thereof to the Revenue Bond Account or the Reserve Account if necessary to meet the requirements thereof.

Section 10.5 Notes. The Borrower reserves the right to issue notes payable from the Note Account (“Notes”) in anticipation of the issuance of Bonds, provided that the conditions of Section 10.3 hereof can be met with respect to such Bonds and that the terms of the Notes comport with the Resolution and the Enabling Act.

## ARTICLE XI

### SEWER SYSTEM FUND

Section 11.1 Bond Proceeds and Revenues Pledged and Appropriated. A special Sewer System Fund is hereby created and shall be maintained as a separate and special bookkeeping

account on the official books of the Borrower until all Bonds and interest and redemption premiums due thereon have been fully paid, or the Borrower's obligations with reference to such Bonds have been discharged as provided in this Resolution. All proceeds of Bonds issued hereunder and all other funds presently on hand derived from the operation of the System are irrevocably pledged and appropriated to the Sewer System Fund. In addition, there is hereby irrevocably pledged and appropriated to the Sewer System Fund all gross revenues and receipts from rates, fees, charges and rentals imposed for connections with and for the availability, benefit and use of the System and from any sales of property acquired for the System and all income received from the investment of such gross revenues, including investment of the reserve established in the Reserve Account and the Operating Reserve established in the Operating Account, but excluding any special assessments or taxes levied for construction of any part of the System and the proceeds of any grant or loan from the State or the United States, and any investment income thereon, to the extent such exclusion is a condition to such grant or loan. The Sewer System Fund shall be subdivided into separate accounts as designated and described in Sections 11.2 through 11.9, to segregate income and expenses received, paid and accrued for the respective purposes described in those sections. The gross revenues received in the Sewer System Fund shall be apportioned monthly, commencing as of the first day of the month following the date of delivery of the Series 2023A Bond.

Section 11.2 Acquisition and Construction Account. The Acquisition and Construction Account shall be used only to pay as incurred and allowed costs which under accepted accounting practice are capital costs of a Project and of such future reconstructions, improvements, betterments or extensions of the System as may be authorized in accordance with law, including but not limited to payments due for work and materials performed and delivered under construction contracts, architectural, engineering, inspection, supervision, fiscal and legal expenses, the cost of lands and easements, reimbursement of any advances made from other Borrower funds, and all other expenses incurred in connection with the acquisition, construction and financing of any such undertaking. To the Acquisition and Construction Account shall be credited as received all proceeds of Bonds issued hereunder (except proceeds of refunding bonds appropriated to the payment of outstanding Bonds and amounts required to be credited to the Revenue Bond Account), all other funds appropriated by the Borrower for the System and any other funds appropriated by the Borrower to the Acquisition and Construction Account for improvements to the System, and all income received from the investment of the Acquisition and Construction Account. Upon completion of a capital improvement or program of capital improvements for the System, the balance remaining in the Acquisition and Construction Account shall be credited to the Revenue Bond Account, as appropriate, then to the establishment of the Reserve Requirement in the Reserve Account to the extent required to establish the required balance therein and, to the extent not so required, to the Replacement and Depreciation Account or to the Revenue Bond Account, if required by the Code.

Section 11.3 Operating Account. On each monthly apportionment there shall first be set aside and credited to the Operating Account, as a first charge on the gross revenues, such amount as may be required over and above the balance then held in the account to pay the reasonable and necessary Operating Expenses of the System which are then due and payable, or are to be paid prior to the next monthly apportionment. The term "Operating Expenses" shall mean the current expenses, paid or accrued, of operation, maintenance and current repair of the

System and its facilities, as calculated in accordance with sound accounting practices, and shall include, without limitation, administrative expenses of the Borrower relating solely to the System, premiums for insurance on the properties thereof, labor and the cost of materials and supplies used for current operation and for maintenance, and charges for the accumulation of appropriate reserves for current expenses which are not recurrent monthly but may reasonably be expected to be incurred in accordance with sound accounting practices. Such expenses shall not include any allowance for interest expense or depreciation, renewals or replacements of capital assets of the System and shall not include any portion of the salaries or wages paid to any officer or employee of the Borrower, except such portion as shall represent reasonable compensation for the performance of duties necessary to the operation of the System. There shall also be credited to this account a sum equal to the estimated average monthly Operating Expenses of the System to establish appropriate reserves for current expenses which are not recurrent monthly but may reasonably be expected to be incurred in accordance with sound accounting practices (“Operating Reserve”), which sum shall be maintained by additional transfers upon each monthly apportionment whenever necessary, or may be augmented by transfers of additional amounts from the Surplus Account described below if determined by the governing body of the Borrower to be necessary to meet contingencies arising in the operation, maintenance and repair of the System. Money in the Operating Account shall be used solely for the payment of current Operating Expenses of the System.

Section 11.4 Revenue Bond Account. Upon each monthly apportionment there shall be set aside and credited to the Revenue Bond Account out of the Net Revenues an amount equal to not less than the sum of one-sixth of the interest to become due within the next six months plus one-twelfth of the principal to become due within the next twelve months with respect to outstanding Bonds payable semiannually from the Revenue Bond Account and an amount equal to the next principal and interest installment payment with respect to outstanding Bonds payable monthly; provided that the Borrower shall be entitled to reduce a monthly credit by the amount of any surplus previously credited and then on deposit in the Revenue Bond Account. Money from time to time held in the Revenue Bond Account shall be disbursed only to meet payments of principal of, premium, if any, and interest on the Bonds payable therefrom as such payments become due. If any payment of principal or interest becomes due when moneys in the Revenue Bond Account are temporarily insufficient therefor, such payment shall be advanced out of any Net Revenues theretofore segregated and then on hand in the Reserve Account, the Replacement and Depreciation Account or the Surplus Account.

Section 11.5 Reserve Account. The Borrower agrees to establish and maintain a Reserve Account in the Sewer System Fund. Upon each monthly apportionment, from the Net Revenues remaining after the apportionment to the Revenue Bond Account, the Borrower shall credit to the Reserve Account such additional Net Revenues as may be required to establish and thereafter maintain the balance in an amount equal, as of the date of calculation, to the Reserve Requirement. Money in the Reserve Account shall be used only to pay maturing principal, premium and interest when money within the Revenue Bond Account is insufficient therefor; provided that on any date when all outstanding Bonds of a series are due or prepayable by their terms, if the amount then on hand in the Reserve Account allocable to such Bonds and available for such appropriation is sufficient with money available for the purpose to pay all such Bonds and the interest accrued thereon in full, it may be used for that purpose; and provided, further,

that so long as the amount on hand in the Reserve Account is not less than the Reserve Requirement, the Borrower may credit earnings on investment of the Reserve Account to the Replacement and Depreciation Account.

Section 11.6 Replacement and Depreciation Account. There shall next be set aside and credited, upon each monthly apportionment, to the Replacement and Depreciation Account Net Revenues of the System remaining after satisfaction of the current requirements of the Operating Account, Revenue Bond Account, and Reserve Account (such Net Revenues, the “Surplus Net Revenues”), as the governing body of the Borrower shall determine to be required for the accumulation of a reasonable allowance for depreciation of the System and for replacement or renewal of worn out, obsolete or damaged properties and equipment thereof. Money in this account shall be used only for the purposes above stated or, if so directed by the governing body of the Borrower, to redeem Bonds which are prepayable according to their terms, to pay principal or interest when due thereon as required in Section 11.4, to fund any deficiency in the Reserve Account, or to pay the cost of improvements to the System; provided that, Surplus Net Revenues in the Replacement and Depreciation Account may be used to pay Subordinate Obligations as they come due in advance of payments required to be made into the Replacement and Depreciation Account, subject to the prior lien on Surplus Net Revenues to pay any deficiency of the Revenue Bond Account or the Reserve Account; provided further that in the event construction and installation of additional improvements or additions to the System are financed other than from proceeds of Bonds payable from the Revenue Bond Account, Surplus Net Revenues from time to time received may be segregated and paid into one or more separate and additional accounts for the repayment of such indebtedness and interest thereon, in advance of payments required to be made into the Replacement and Depreciation Account. The Borrower covenants to annually deposit not less than \$18,000 in the Replacement and Depreciation Account to provide for the repair and replacement of short-lived assets comprising part of the 2023 Project.

Section 11.7 Surplus Account. Any amount of the Surplus Net Revenues from time to time remaining after the above required applications thereof shall be credited to the Surplus Account (or such other account in the Sewer System Fund as the Borrower may establish for bookkeeping purposes to account for Surplus Net Revenues in accordance with the purposes of this Resolution), and the money from time to time in that account, when not required to restore a current deficiency in the Revenue Bond Account or the Reserve Account as provided in Sections 11.4 and 11.5, may be used for any of the following purposes and not otherwise:

- (a) To redeem Bonds when and as such Bonds become prepayable according to their terms; or
- (b) To purchase Bonds on the open market, whether or not the Bonds or other such Bonds may then be prepayable according to their terms; or
- (c) To be held as a reserve for redemption of Bonds which are not then but will later be prepayable according to their terms; or
- (d) To pay for repairs of or for the construction and installation of improvements or additions to the System; or

(e) To pay Operating Expenses or restore the Operating Reserve or increase the same when determined to be necessary by the governing body of the Borrower; or

(f) To pay the Series 2023A Bond, if necessary, or any other Subordinate Obligations under Section 10.4 above.

No money shall at any time be transferred from the Surplus Account or any other account of the Sewer System Fund to any other fund of the Borrower, nor shall such moneys at any time be loaned to other municipal funds or invested in warrants, special improvement bonds or other obligations payable from other funds, except as provided in Section 11.10.

Section 11.8 Note Account. There is established in the Sewer System Fund a separate and special Note Account (the "Note Account"). If a Note is outstanding, Surplus Net Revenues may be credited to the Note Account. The Borrower irrevocably appropriates to the Note Account: (a) the proceeds of any Bonds issued to refund one or more Notes, as received and to the extent necessary for the payment of such Notes, and (b) such other money as shall be appropriated to the Note Account from time to time.

Amounts on deposit in the Note Account shall be used solely to pay the principal of and interest on Notes made payable therefrom; provided that if on any date the balance in the Revenue Bond Account or the Reserve Account is less than then required, an amount equal to such deficiency will be transferred from the Net Revenues and investment income therefrom on deposit in the Note Account to the Revenue Bond Account or the Reserve Account. Upon payment or discharge of a Note and upon the making of the credits to the Note Account required in connection with any other Notes made payable therefrom, all surplus funds therein shall be transferred to the Surplus Account.

Section 11.9 Rebate Account. The Rebate Account is hereby established as a separate account within the Sewer System Fund. The Borrower shall make deposits to and disbursements from the Rebate Account pursuant to one or more rebate certificates executed and delivered by the Borrower in connection with the issuance of Bonds, and for such purposes may make transfers, in the following order of priority, from the Surplus Account, the Replacement and Depreciation Account and the Reserve Account, as necessary, to meet the requirements of the Rebate Account. The Borrower shall invest the Rebate Account in accordance with the provisions of the rebate certificates and shall deposit income from such investments immediately upon receipt thereof in the Rebate Account

Section 11.10 Deposit and Investment of Funds. The finance officer of the Borrower shall cause all money appropriated to the Sewer System Fund to be deposited as received with one or more depository banks duly qualified in accordance with the provisions of Montana Code Annotated, Section 7-6-201, in a deposit account or accounts. The balance in such accounts, except such portion thereof as shall be guaranteed by federal deposit insurance, shall at all times be secured to its full amount by bonds or securities of the types set forth in Montana Code Annotated, Section 7-6-201. Any of such moneys not necessary for immediate use may be deposited with such depository banks in savings or time deposits. No money shall at any time be withdrawn from such deposit accounts except for the purposes of the Sewer System Fund as defined and authorized in this Resolution; except that money from time to time on hand in the

Sewer System Fund may at any time, in the discretion of the governing body of the Borrower, be invested in securities which are direct, general obligations of, or obligations the prompt payment of the principal of and the interest on which is fully and unconditionally guaranteed by, the United States of America, bank repurchase agreements with respect to such obligations, certificates of deposits of national banks having a combined capital and surplus of at least \$1,000,000 or in the Montana short-term investment program administered by the Board of Investments, which investments mature and bear interest at the times and in the amounts estimated to be required to provide cash when needed for the purposes of the respective accounts; provided that funds on hand in the Reserve Account, the Replacement and Depreciation Account and the Surplus Account may be invested in said securities maturing not later than five years from the date of the investment; and provided, further, that money on hand in the Surplus Account of the Sewer System Fund may, in the discretion of the governing body of the Borrower, be invested in any securities which are direct, general obligations of the Borrower. Income received from the deposit or investment of moneys in said accounts shall be credited to the account from whose moneys the deposit was made or the investment was purchased, and handled and accounted for in the same manner as other moneys in that account.

## ARTICLE XII

### TAX MATTERS

If the DNRC issues a Noncompliance Statement that the Borrower's obligation to repay the principal of the Series 2023A Bond is not forgiven, interest on the Series 2023A Bond is included in gross income for federal income tax purposes.

## ARTICLE XIII

### CONTINUING DISCLOSURE

The Borrower understands and acknowledges that the DNRC is acquiring the Series 2023A Bond under the Program pursuant to which the State issues from time to time State Bonds to provide funds therefor. The Borrower covenants and agrees that, upon written request of the DNRC from time to time, the Borrower will promptly provide to the DNRC all information that the DNRC reasonably determines to be necessary or appropriate to offer and sell State Bonds or to provide continuing disclosure in respect of State Bonds, whether under Rule 15c2-12 (17 C.F.R. § 240.15c2-12) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, or otherwise. Such information shall include, among other things and if so requested, financial statements of the Borrower prepared in accordance with generally accepted accounting principles promulgated by the Financial Accounting Standards Board as modified in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Montana law, as in effect from time to time (such financial statements to relate to a fiscal year or any period therein for which they are customarily prepared by the Borrower, and, if for a fiscal year and so requested by the DNRC, subject to an audit report and opinion of an accountant or government auditor, as permitted or required by the laws of the State). The Borrower will also provide, with any information so furnished to the DNRC, a certificate of the President of the Board of Directors and the District Secretary of the Borrower to the effect that,

to the best of their knowledge, such information does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make the statements made, in light of the circumstances under which they are made, not misleading.

## ARTICLE XIV

### DEFEASANCE

Section 14.1 General. When the liability of the Borrower on all Bonds issued under and secured by this Resolution and all interest thereon has been discharged as provided in this Article XIV, all pledges, covenants and other rights granted by this Resolution to the Holders of such Bonds shall cease, other than to the payment of such Bonds from money segregated for such purpose. The Borrower may also discharge its liability with respect to one or more Bonds in accordance with this Article XIV.

Section 14.2 Maturity. The Borrower may discharge its liability with reference to any Bonds and interest thereon which are due on any date by depositing with the Registrar for such Bonds on or before the date a sum sufficient for the payment thereof in full; or if any Bond or interest thereon shall not be paid when due, the Borrower may nevertheless discharge its liability with reference thereto by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued to the date of such deposit.

Section 14.3 Prepayment. The Borrower may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Registrar therefor on or before the Redemption Date a sum sufficient for the payment thereof in full; provided that notice of the redemption thereof has been duly given as provided in this Resolution or any Supplemental Resolution relating thereto.

Section 14.4 Escrow. The Borrower may at any time discharge its liability with reference to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action and the following paragraphs of this Section, by depositing irrevocably in escrow, with a bank qualified by law as an escrow agent for this purpose, cash or Government Obligations authorized by law to be so deposited, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without reinvestment, to provide funds sufficient to pay all principal, interest and redemption premiums, if any, to become due on such Bonds at their stated maturities or, if such Bonds are prepayable and notice of redemption thereof has been duly given or irrevocably provided for, to such earlier redemption date.

No defeasance shall be made pursuant to this Section 14.4 unless there has first been presented to the escrow agent a written Opinion of Bond Counsel to the effect that such defeasance shall not cause the interest on any outstanding Bonds to be included in the gross income of the holders thereof for federal income tax purposes.

## ARTICLE XV

### SUPPLEMENTAL RESOLUTIONS

Section 15.1 General. The Borrower reserves the right to adopt Supplemental Resolutions from time to time and at any time, for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provision contained herein, or of making such provisions with regard to matters or questions arising hereunder as the Borrower may deem necessary or desirable and not inconsistent with this Resolution, and which shall not adversely affect the interests of the Holders of outstanding Bonds, or for the purpose of adding to the covenants and agreements herein contained, or to the revenues herein pledged, other covenants and agreements thereafter to be observed and additional revenues or income thereafter appropriated to the Sewer System Fund, or for the purpose of surrendering any right or power herein reserved to or conferred upon the Borrower, or for the purpose of authorizing the creation and issuance of a series of additional Bonds or Subordinate Obligations, as provided in and subject to the conditions and requirements of Article X. Subject to Section 16.4, any such Supplemental Resolution may be adopted without notice to or the consent of the Holder of any of the Bonds issued hereunder.

Section 15.2 Consent of Holders. With the consent of the Holders of Bonds issued hereunder as provided in Section 15.4, the Borrower may from time to time and at any time adopt a Supplemental Resolution for the purpose of amending this Resolution by adding any provisions hereto or changing in any manner or eliminating any of the provisions hereof or of any Supplemental Resolution, except that no Supplemental Resolution shall be adopted at any time without the consent of the Holders of all Bonds issued hereunder which are then outstanding and affected thereby, if it would extend the time of payment of interest thereon or principal thereof, would reduce the interest rate thereon or the amount of the principal or the redemption price thereof, would give to any Bond or Bonds any privileges over any other Bond or Bonds, would reduce the sources of revenues or income appropriated to the Sewer System Fund, or would reduce the percentage in principal amount of such Bonds required to authorize or consent to any such Supplemental Resolution.

Section 15.3 Notice. Notice of the Supplemental Resolution to be adopted pursuant to Section 15.2 shall be mailed by first-class mail to the Holders of all outstanding Bonds at their addresses appearing in the Bond Register, and shall become effective only upon the filing of written consents with the District Secretary, signed by the Holders of not less than a majority in principal amount of the Bonds then outstanding and affected thereby. Any written consent to the Supplemental Resolution may be embodied in and evidenced by one or any number of concurrent written instruments of substantially similar tenor signed by Holders in person or by agent duly appointed in writing, and shall become effective when delivered to the District Secretary. Any consent by the Holder of any Bond shall bind him and every future holder of the same Bond with respect to any Supplemental Resolution adopted by the Borrower pursuant to such consent; provided that any Holder may revoke his consent with reference to any Bond by written notice received by the District Secretary before the Supplemental Resolution has become effective. In the event that unrevoked consents of the Holders of the required amount of Bonds have not been received by the District Secretary within one year after the mailing of notice of the

Supplemental Resolution, the Supplemental Resolution and all consents theretofore received shall be of no further force and effect.

Section 15.4 Manner of Consent. Proof of the execution of any consent, or of a writing appointing any agent to execute the same, or of the ownership by any Person of Bonds shall be sufficient for any purpose of this Resolution and shall be conclusive in favor of the Borrower if made in the manner provided in this Section 15.4. The fact and date of the execution by any Person of any such consent or appointment may be proved by the affidavit of a witness of such execution or by the certification of any notary public or other officer authorized by law to take acknowledgment of deeds, certifying that the Person signing it acknowledged to him the execution thereof. The fact and date of execution of any such consent may also be proved in any other manner which the Borrower may deem sufficient; but the Borrower may nevertheless, in its discretion, require further proof in cases where it deems further proof desirable. The ownership of Bonds shall be proved by the Bond Register.

Section 16.9 Right of Others to Perform Borrower's Covenants. In the event the Borrower shall fail to make any payment or perform any act required to be performed hereunder, then and in each such case the DNRC or the provider of any Collateral Document may (but shall not be obligated to) remedy such default for the account of the Borrower and make advances for that purpose. No such performance or advance shall operate to release the Borrower from any such default and any sums so advanced by the DNRC or the provider of any Collateral Document shall be paid immediately to the party making such advance and shall bear interest at the rate of ten percent (10%) per annum from the date of the advance until repaid. The DNRC and the provider of any Collateral Document shall have the right to enter the 2023 Project or the facility or facilities of which the 2023 Project is a part or any other facility which is a part of the System in order to effectuate the purposes of this Section.
